Dear Art:

Enclosed are the three (3) copies of Amendment No. 1 to the Contract which have been executed by [] and are being returned to you for your signature.

25X1A

The Amendment has been executed with the understanding that Revision A to the Work Statement and Revisions A and B to Specification 43961 are acceptable.

25X1A

I have also enclosed for your file a copy of a memorandum to [] indicating approval of the two (2) documents; one copy each of the title pages which indicate the required SE approval initials; and a copy of a memorandum signed by [] indicating an acceptable change to the Field Engineering Work Statement to reflect the S/I integration responsibility. I am assuming that the submission of these documents will allow you to execute the Amendment.

25X1A

Upon receipt of the fully executed Amendment, I will make distribution of the revised documents in accordance with the standard distribution list.

It appears that your suggestion that we sign the contract first has, in fact, saved time. Thank you very much.

Very truly yours,

Dana
